THE STORYTELLERS

PRESENT

Rhythm, Rhyme, Reading Time

“Rhythm, Rhyme, Reading Time” is a unique program that combines interactive storytelling, beautiful music, full audience participation and hands-on fun with musical instruments from many cultures. Each performance will feature two captivating stories, three wonderful musical selections, a short interactive poem, a hilarious musical skit and more. Post-show activities, (*Sharing Sessions*) when time permits, include a short question & answer segment and hands-on activities for those who were too shy to participate during the show. **No One Gets Left Out!**

This program is ideal for ages 4-13. Most shows are 45 minutes. Musical accompaniment features songs performed on balafon, steel drums, cuica, udu, berimbau, donno, didgeridoo and many other instruments from all over the world.

“Our children enjoyed the opportunity to experience the instruments as well as hone their own storytelling skills. The evening performance in our community was enjoyed by all... A real treat!”

“The Storytellers are one of the best examples I’ve seen of combining educational programming with fun for kids. Their songs and stories are full of warmth, laughter and life-lessons within a very joyous, human atmosphere. Everyone was humming and singing long after the show had finished.”

Hands-On Fun

Young people are invited to play various instruments at selected moments in all of our presentations. Playing cuica, berimbau, udu, etc., during our program is a fun method of introducing world cultures. Simple “fun” can be quite memorable. “Memorable Fun” will significantly contribute to cultivating in each child/youth a **Lifelong Love Of Reading!**

FEES; \$ 400-\$600 One-three presentations on a single day. We bring all necessary audio equipment, tables, chairs, etc. We would love to bring **Rhythm, Rhyme, Reading Time** to your library or school. Please visit our web site and email, fax or telephone us to schedule a presentation.
